- Contact the East Windsor Garden Club to see if they are interested in helping

Sign needs refurbishing. Identify needs and get pricing estimates.

Parking area and walkway need to be refreshed. Donation and/or volunteer opportunity

(2) New park equipment to be ordered:

- Review prints received from ARC (American Ramp Company) of the "Ultimate Park" which, within the print, distinguishes the park as it is now.
- Review pricing estimates for equipment yet needed to complete the ultimate park.
- Review what we currently have in our account to purchase equipment.
- Determine whether it is feasible to first hold annual MCM Fundraiser before placing equipment order or if we should place it now for Spring delivery/installation.
- (3) Identify a volunteer and backup to maintain a current website with links to all other pertinent town sites.
- (4) Discuss other possible fund-raising ideas and contacts that we can reach out to join our efforts.
- (5) Ensure BMX & Skatepark Committee participation in
 East Windsor Parks and Recreation Master Plan Meeting Wednesday, February 9,
